Keeps Your Patients

Active!

Whether they are out on the town or home with family—patients can always have their oxygen with them. Restoring freedom and control of their day is a big part of what makes the OxyGo® so special.

Patients can power an OxyGo® by plugging it into a wall outlet, DC outlet in their car, or for hours at a time with each rechargeable battery. Weighing in at less than 5 pounds, and with an extraordinary battery life of 9.0 hours*, the OxyGo® is completely wearable.
